

Tryst Accessible

Product Brochure

Tryst Accessible

The Tryst booths range is a versatile collection of high and low back seating booths offering different levels of visual and acoustic privacy. Developed for use within an agile environment, users can collaborate or focus in Tryst booths whilst taking advantage of the integrated technology and power available in all products.

As part of our ongoing commitment to creating inclusive products for the modern workplace, our Tryst booths are now available with additional configurations designed specifically to allow access to wheelchair users.

Designed by Roger Webb Associates.
