### Health & Safety Policy

D&G Office Interiors Limited gives the highest priority to the health, safety and welfare of all its employees, customers, visitors and other external interested parties.

With this in mind, the Directors are committed to maintaining and improving all aspects of health and safety at work and to creating safe and healthy working environments.

The management team are responsible for ensuring adherence to this policy and the successful implementation of this policy requires the full commitment from all workers involved. Appropriate communication takes place so that each individual is made aware of and understands their legal obligation under the Health and Safety at Work Act to take reasonable care for their own health and safety and the safety of people who may be affected by their acts.

We recognise and accept our responsibilities and will take all measures so far as is reasonably practicable to:

- Ensure the protection and well-being of all employees, customers, contractors, visitors and others who may be affected by the activities of the company;
- Adopt all possible measures to comply with applicable statutory requirements, Codes of Practice and other requirements in relation to all matters of health and safety and, in particular, to known and identified hazards;
- Make latest policy information available and arrange training, information, instruction and supervision as may be required to ensure the health and safety at work of all employees, contractors and other interested parties;
- Provide and maintain safe places of work, safe working methods and equipment and healthy working environments;
- Prevent injury and ill health and continually improve our health and safety management through measurement & monitoring and audit & review of our health and safety performance.

In order to demonstrate our continuing commitment to health and safety, all arrangements and policies will be reviewed on a regular basis to include this policy statement itself.
