Introduction

“

The Resimercial collective is the perfect hybrid design for commercial interiors. A cross pollination of materials and aesthetics, combining the comfort of home styling with the durability and functional demands of a working environment. An elegant and comforting design style that facilitates hi-performance and wellbeing of employees. A collection of soft-seating, statement chairs and tables characterised by soft home interior inspired fabrics, warm colour palettes and natural materials, the Resimercial collective is an elegant and reassuring design style which creates unparalleled comfort and practicality with a stunning overall design aesthetic.
